ANNOUNCEMENTS!

On-Line License Renewal!

Kentucky's operators are now able to renew their licenses on-line! As long as you have earned sufficient continuing education credit hours, you can renew your certification license in just minutes. This new process eliminates the hassle of completing renewal forms and mailing checks. All you need is an internet connection and a valid credit or debit card. After completing the easy to use on-line process, your new wallet card will be mailed to you. Complete your on-line renewal at: www.dca.ky.gov/certification.

Exams Offered in Frankfort

Based on operator response, the Operator Certification Program will continue to offer certification testing in Frankfort.

On-Line Services Expanding

Did you know that you can visit our Web site and check the status of your certifications? Our eSearch tool allows you to view the status of your licenses, continuing education credits, and employment history.

Pass lists are now available on-line. Check the Operator Certification Program Web site for links to the pass lists for recent testing events.

2008 Catalog Available

The 2008 Operator Certification Catalog will be available on line at www.dca.ky.gov/certification in January 2008. If you do not have access to the internet, let us know and we will be happy to mail you a copy promptly.
